PROPERTY DRAWING

Please provide a sketch in the box below depicting the following information. All information must be displayed, or the Zoning Permit Application may be deemed incomplete and may be denied.

1. Rough sketch of your property boundary lines.
2. Depict all existing and proposed buildings.
3. Distance (in feet) from the proposed structure to all property lines (front, rear, and both sides).
4. Distance (in feet) from the proposed structure to the primary facility.
5. Distance (in feet) from the proposed structure to any other accessory structures.

Note: The measurements listed above are to be measured at the shortest distance between your proposed structure and other structures or lot lines.

A large, empty rectangular box with a blue border, intended for the applicant to provide a sketch of their property and proposed structures.
